

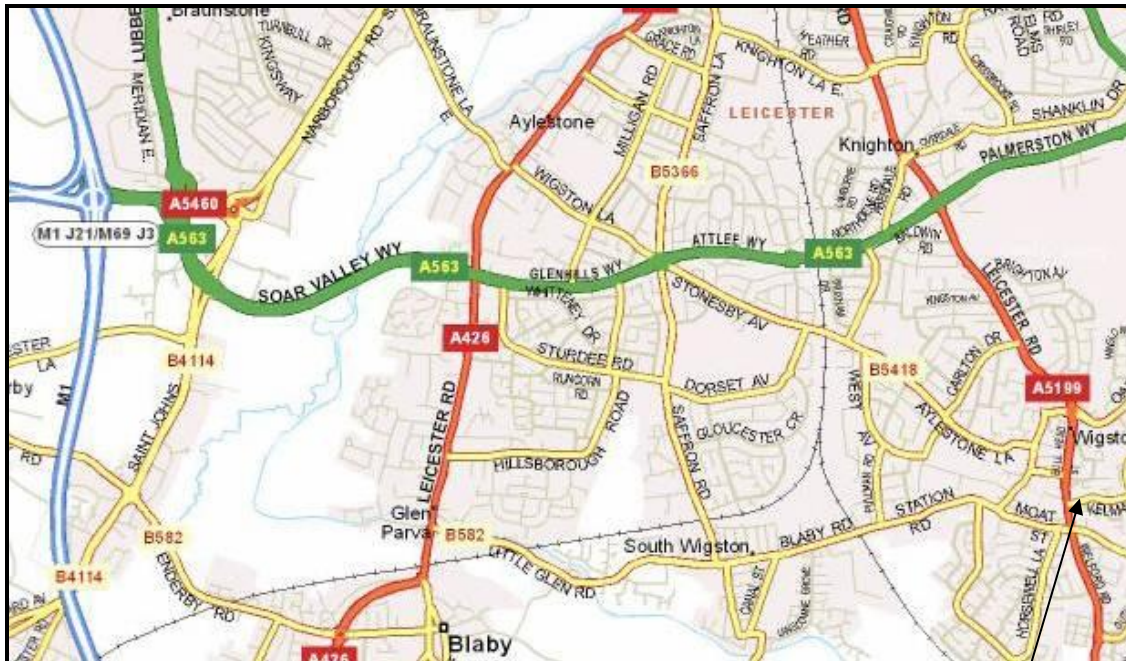

## Map Directions to Wigston Chess Club

from J21 of the M1 motorway.

Wigston Liberal Club,  
Kelmars Avenue,  
Wigston,  
Leicester LE18 1PA.

From J21 of the M1, head towards Leicester, looking for signs for the A563 South (there is also a A563 North so be careful.) It goes past the Fosse Park Retail Park and is the ring road for Leicester. The first part (Soar Valley Way) is a double carriage way.

Past the lights at the A426 junction it becomes a single carriageway (Glenhills Way). The ring road continues over the Pork Pie roundabout (the third exit), currently the subject of roadworks (Attlee Way). Over a smaller roundabout, a set of lights with Aberdale Road; then turn right (there is a filter lane) on the A5199 signposted "Wigston".

The A5199 is the main Welford Road heading south out of the city, although at this point it is called Leicester Road. After  $\frac{3}{4}$  mile, at the roundabout, go straight over (second exit); do not take the third exit into Wigston town centre itself. This is Bull Head Street; at the next set of lights with Kelmars Avenue (opposite the Police station), turn left. The Liberal Club is on the corner with the car park behind.

The chess club plays in the Committee room which is upstairs above the bar.
